## Anticipating those May Flowers:

*By The Sarff Family*

They do say that showers in April bring May flowers, don't they? They didn't say anything about snow in April! As we continue to have longer days that bring us to the hot summer months we are reminded just how lucky we are to live in a place with four unique and beautiful seasons. The flowers are blooming and the grass is getting green again, so step outside and enjoy some fresh air.

Our wonderful Activities Staff has been creative over the past 24 months and have been offering a variety of safe activities for us all. Please hop back in the bus with us and join us for some of the fun outings that are planned in the month of May!

We have made a few changes to the 50's Café menu so come down and use those lunch tickets to grab a bite to eat, remember, they never expire! For those who haven't made the move yet, we are having some special offers on 491 square foot apartments and smaller 2 bedroom/ 2 bathroom apartments, so call us and take a tour today! Happy Spring to all of our friends and family, and a Happy Mother's Day to all of our moms and grandmothers!

**April Shenanigans:**

Last month sure was full of celebrations! We had our first Easter Event in three years, we enjoyed having the petting zoo back, put on an Easter egg hunt for the tenants, and got a surprise visit from the Easter Bunny himself! A couple of highlights from the month include a day trip to Davenport, WA and a visit from a Broadway Court favorite, Old-Time Fiddlers, for the first time in 24 months! Our very own, Carl (Director of Maintenance), and Laura (Activities Assistant) also shared their musical talents with us and played at a Pub Night event, how cool is that!
